

Certificate IV in Allied Health Assistance

(Nutrition and Dietetics Specialisation)

The Higher Level Skills Program is funded by the Queensland Government Department of Employment, Small Business and Training (DESBT). The aim of the Higher Level Skills Program is the completion of higher level qualifications which lead to secure employment, career advancement or transition/entry into university.

Enjoy working with people in an energetic environment and have a passion for health and helping others?

The Certificate IV in Allied Health Assistance will set you up with the skills and knowledge you need to develop a rewarding career as an assistant in the health sector.

-  **Already working in the health sector?** Advance your existing employment with a formal qualification.
-  **Looking to kick-start a career?** With a formal qualification, you can step directly into professional employment.
-  **Want a career change?** Join an industry with a high demand for qualified employees.

Through the course, you will learn how to:

- support allied health professionals in providing patients with therapeutic and program-related support
- support food services in menu selection, under guidance of an allied health professional
- assist with planning meals to meet recommended dietary guidelines
- screen clients in preparation for therapeutic diets, under guidance of an allied health professional

Career outcomes

- Allied Health Assistant
- Nutrition Assistant
